Call for Papers

Hope College of Business, Science and Technology (HCBST) is a public service of Hope Enterprises, a charitable organization. HCBST is a multidisciplinary institute engaged in teaching and research in Business and Science fields accredited in 2011. It cherishes the provision of all-inclusive quality education being responsive to global change and the inquiry of the students, environment and to the community at large.

The college is pleased to announce its first research conference launching a platform to discuss the contribution of higher education for sustainable development building on existing research and opening new perspectives in a national dialogue. The conference aims to be a forum for academic exchange and intellectual development, where contributions from academicians and practitioners are welcome.

Conference Theme: “Education for Sustainable Development”

Subthemes are:

- Competency-Based Education in Enhancing Professional Excellence
- Contemporary Issues in Accounting (IFRS, IPSAS, & ISA) and their Impacts in Education and Practice
- Organizational Growth and Change Management
- Agriculture and/or Tourism Marketing
- Mainstreaming Environment in Social and Economic Development.
- Addis Ababa Rivers Restorations and Conservations.
- Climate Change Adaptation and Mitigation.
- Housing and Urban Upgrading.
- Metropolitan Urban Policy and Urban Planning.
- ICT for Sustainable Development: Knowledge Management, E-Commerce, and E-Education.
- Food Product Development and Nutritional Enhancement.

All interested on the above themes are kindly invited to present their abstracts. Authors of selected abstracts are expected to submit their full papers, subsequently. The papers will be peer-reviewed for publication in our proceeding.
