

## Hope College Needs Laptop Computers.

Hope College in Addis Ababa will be starting classes in September 2010. They have an urgent need for laptop computers in good condition to be used by faculty, staff, and students.

If you have a laptop computer in good condition with the following minimum specifications, please contact the Computer GO team.

- Pentium 4 or 1000 ghz processor or better
- Windows XP or better

Also, USB flash drives (any size) are needed.
